Talent Day is important because it helps students display their unique abilities, build confidence, and improve their stage performance skills. It also encourages creativity, self-expression, and active participation in extracurricular activities. We celebrate Talent Day in our college every year to appreciate the diversity of skills and to provide a fun, positive environment that supports overall personality development.

This year, "Talent Day–25" in our college, was organized on 22nd November, i.e., on Saturday, in the Seminar Hall.. Various activities such as dance, singing, mehandi, rangoli, and handwriting competitions were conducted, and a ramp walk was also arranged. The students actively participated in all the events and showcased their talents. Their enthusiastic involvement made the programme a great success.
