Traditional day in Malla Reddy Institute of Management was started in the year 2007. Tradition plays a significant role in shaping our cultural identity, values, beliefs, and practices. In today's rapidly changing world, it is important to understand the significance of traditions and why they are important in preserving our heritage and connecting us to our roots.

Even when life changes, traditions give us something steady to hold on to. Program started with lighting the lamp along with devotional prayer song. Principal addressed the gathering by his inspirational speech by telling the importance of traditions. After that HOD and few other faculty members addressed the gathering with their valuable information. Students both seniors and juniors actively participated in various programs conducted by the college like Rangoli, solo folk dance, group folk dance, solo folk songs, group folk songs, elocution, ramp walk with cultural/traditional attire.

Winners in elocution are presented with prizes by our beloved Principal sir. HOD sir presented Miss. Traditional and Mr. Traditional prizes to the students. All the students came in traditional attire and actively participated in the event. Finally all the students played dandiya. Program ended with vote of thanks and National Anthem.
